

Individuals whose personal information was involved in the data security incident that Hapy Bear Surgery Center discovered on or about December 27, 2023, including those who were sent a notice about the incident, may be eligible for benefits from a class action settlement.

A California court ordered this notice. This is not a solicitation from a lawyer.

A Settlement has been reached in a class action against Hapy Bear Surgery Center, LLC (“HBSC”) in an action arising out of a cyberattack during which a hacker may have gained access to personally identifiable information (“PII”) and protected health information (“PHI”) stored by HBSC that occurred on or before December 27, 2023 (“Data Security Incident”). HBSC announced the Data Security Incident in April 2024. The lawsuit was filed asserting claims against HBSC relating to the Data Security Incident. HBSC denies all of the claims and denies that it did anything wrong.

WHAT CAN I GET? The settlement provides the following relief to people who submit a valid claim form:

- (1) up to **\$500** in documented ordinary out-of-pocket losses and up to four hours of time at \$25 per hour reasonably spent responding to the Data Security Incident;
- (2) up to **\$7,500** in reimbursement for documented extraordinary out-of-pocket losses related to the Data Security Incident;
- (3) two years of additional Credit Monitoring Services; and
- (4) California Residents are eligible to receive an additional \$50 payment.

WHO IS INCLUDED? You received this notice because HBSC’s records show you are a member of the Class. The Class consists of all individuals residing in the United States whose personal information was implicated in the Data Security Incident, including those to whom HBSC or its authorized representative sent a notice concerning the Data Security Incident.
